

YUMVAGUSENGA PATRICK

IT SPECIALIST | SOFTWARE DEVELOPER | MOBILE DEVELOPER

PROFILE

I'm an IT graduate from IPRC Tumba (2024/2025), with strong skills in software development, networking, AI, IoT, databases, and graphic design. I also hold an A2 in Software Development. I'm passionate about teamwork, problem-solving, and delivering practical tech solutions that create real value in professional environments

WORK EXPERIENCE

Internship Experience

Interned at **Vision Technology** installing and configuring network systems and CCTV cameras, at **IBTC Films School** creating graphic designs with Adobe Photoshop and Illustrator, and at **GAKIRAGE Healthy center** entering coronavirus and NCD patient data into hospital information systems.

Working Experience

I worked as a software developer and trainer at Futurefocus for 3.5 months, developing mobile apps and websites. I also worked 2 months at Maisha Company in IT software development, and as an IT staff at Acodesmushishiro Secondary School and trainer at Awtech Ltd.
